

JOIN FMDA TODAY AND ENJOY THE MANY BENEFITS!

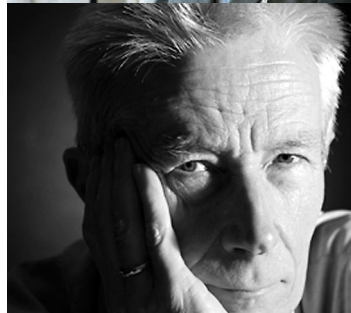

As the scope of operation for post-acute care facilities continues to evolve and expand to accommodate an aging population, practitioners face many new and complex challenges. FMDA, the state affiliate of AMDA – The Society for Post-Acute and Long-Term Care Medicine, is the only organization in the state of Florida devoted to inter-professional practitioners in all specialties practicing in skilled nursing units through subacute, hospice, home care, traditional long-term care, and hospital-based care.

BENEFITS OF MEMBERSHIP

- Access to Florida experts in PA/LTC: FMDA stands ready to assist you in your practice and answer your questions.
- FMDA publishes a dynamic, statewide newsletter titled *Progress Report*, winner of the Apex Award for Publishing Excellence.
- FMDA's official website is www.fmda.org.
- Our dedicated conference website is at www.bestcarepractices.org/.
- FMDA CareerCenter, an online job board.
- Annual update on Medicare billing strategies.
- Annual update on Medicare comparative performance reports for physicians practicing in post-acute care.
- Discounted member registration fees for educational and annual programs.

CHARTING A NEW COURSE

- Networking with other acute care, post-acute and long-term care trade and professional associations.
- FMDA is a Specialty Society of the Florida Medical Association (FMA).
- Advocacy in Tallahassee on behalf of FMDA members.
- Representation in the House of Delegates of both AMDA and FMA.
- FMDA provides testimony at public hearings and in front of the Florida Legislature on issues important to physicians and other practitioners, such as prescribing controlled substances, the availability and affordability of liability insurance, "Granny Cams" in nursing homes, and other hot-button issues.
- FMDA takes an active role in outreach efforts to young, career physicians/NPs/pharmacists/PAs-in-training, including interns, residents, fellows, and any persons engaged in graduate medical/NP/PA/pharmacist education in Florida with an interest in post-acute and long-term care.

Mission Statement

The mission of FMDA – The Society for Post-Acute and Long-Term Care Medicine is to promote the highest quality care as patients transition through the continuum. FMDA is dedicated to providing leadership, professional education, and advocacy for the inter-professional team.

Vision

FMDA – The Florida Society for Post-Acute and Long-Term Care Medicine will provide professional leadership to disseminate information and provide access to resources and experts.

FMDA will further advance as the professional hub for education on best care practices, evidence-based medicine, regulatory compliance, and practice management.

FMDA will continue to be the model organization that collaborates with related organizations to promote the highest-quality patient care and outcomes in the post-acute and long-term care continuum.

APPLICATION FOR MEMBERSHIP

Dedicated to supporting physicians and other practitioners in **Post-Acute & Long-Term Care Medicine**

Learning how to work **smarter** while providing **excellent care**

THE FLORIDA SOCIETY
FOR POST-ACUTE AND
LONG-TERM
CARE MEDICINE

Dear Friend of FMDA:

FMDA was formed in 1990 to help medical directors, physicians, advanced practice nurses (NPs), pharmacists, physician assistants (PAs), and other providers practicing in post-acute and long-term care (PALTC) to navigate their way through the continuum of care.

As the official state chapter of AMDA – The Society for Post-Acute and Long-Term Care Medicine, Specialty Society of the Florida Medical Association, and through its liaison with Florida Osteopathic Medical Association, FMDA promotes the education of its membership in issues pertaining to PALTC care medicine, with a special emphasis on scientific, legislative, regulatory issues, and Medicare reimbursement. Through ABPLM, its credentialing body, AMDA sponsors a certification program in PALTC medical direction and offers a competency curriculum for attending physicians/ARNPs/PAs to enhance knowledge and skills in this ever-changing environment. Membership in FMDA links you to physicians, NPs, pharmacists, PAs, and other practitioners, and opens dialogues for problem-solving and information-sharing. Networking opens opportunities to become familiar with the activities of Florida practitioners and helps you build relationships with and gain support from our members.

FMDA sponsors a nationally recognized annual October conference, Best Care Practices in the Post-Acute and Long-Term Care Continuum, and trade show that is the perfect place to learn about the newest trends and challenges from some of the top experts in the country.

After a number of years of hard work on behalf of its membership, the volunteer leadership has established FMDA as a recognized player in the arenas that form public policy, legislation, and regulatory compliance. But continuing to fight for quality care for their patients, along with fairness in how physicians, advanced practice nurses, pharmacists, and PAs are treated, requires the commitment of members to get involved.

If you share our goals, we invite you to join FMDA and become an integral part of our support network. We respect and appreciate your devotion to this specialty, and encourage you to attend the annual conference in October. Above all, we want you to know that we are all here to help each other survive the regulatory maze. Together, we can bridge the gap between fact and fiction and continue to provide our patients with the finest, most compassionate care possible.

If you would like more information about FMDA, please contact the business office at (561) 689-6321, or email ian.cordes@fmda.org.

FMDA MEMBERSHIP APPLICATION

There are multiple classes of membership in the Association: general membership, lifetime, student, retired, and affiliate. All members of this organization are encouraged to be members of the national association, AMDA – The Society for Post-Acute and Long-Term Care Medicine.

a. **General:** Membership in FMDA may be granted to any physician who holds the position of medical director, or a physician, advanced practice nurse, pharmacist, or physician assistant who has an interest in or who provides medical services in full or in part in PALTC. Members in this classification are entitled to a vote are eligible to be a member of the Board of Directors.

i. **Retired:** Includes physicians, advanced practice nurses, pharmacists, and physician assistants who are fully retired.

ii. **Lifetime:** Includes physicians, advanced practice nurses, pharmacists, and physician assistants who continue to work and are not retired.

b. **Allied Health Professional Relations Committee:** Health care practitioners who provide essential services to patients in the PALTC setting are eligible to join, including dental professionals, podiatrists, opticians, psychologists, therapists (PT/OT/ST), etc. Committee members are non-voting and may be appointed by the Board of Directors to serve on other FMDA committees.

c. **Organizational Affiliates:** Organizations in the medical, regulatory, or political fields of PALTC wishing to promote the affairs of FMDA. They include vendors, other professionals, and organizations.

d. **Students:** Student membership is available to physicians/PAs/pharmacists/NPs-in-training, including interns, residents, fellows, premedical students, and any persons engaged in graduate medical/NP/PA/pharmacist education in the U.S. Student members have all FMDA privileges except they are not eligible to vote or hold office.
